In a perfect world, it would be nice if you are scheduled to be the SOD in the next couple weeks that maybe you could step up to fill a void. I know most of us don't like to be the SOD and with the lower member turnout, we are scheduled more then we want. It has been talked about and will be maybe at the next Board meeting that we have a SOD only every other week. That might be a good thing if the Program can fill the time slot but most of them don't. So, that means the meetings wont last as long.... (comments by Don)
