Quote: #4 on Larry the Cable guys list: "99% of Lawyers give the rest a bad name"

Guests: Dean Hiss brought his sister-in-law, Ruth Hiss and ended up paying an amended fine of \$2 for bragging about bringing her to a free lunch.

Fines: Dean (see above)

Bingo: 44 players and a deposit of \$4688. Not quite a break even. Pickles saved us. Board decided that pickle playing should be ended 1 hour after the end of bingo and will be announced at least twice by the caller. Also, no bingo Nov26th, it's Thanksgiving and the hall is closed Dec 24th, it's Christmas Eve. No word yet on Dec 31st, New Years Eve.

Because of no game on Thanksgiving, the B-team will host on Dec. 3rd and the rotation will go from there.

Announcements: We learned today the Nick Morrone is leaving the club for personal reasons. We wish Nick the best, he has been a great Sertoman and asset to the Arapahoe Club.

The Joint Wine Tasting Fund Raiser will benefit U.C. Boulder – Dept. of Speech and the Marion Downs Hearing Center. Date is Oct 24th 6-9pm. Contact 303 773-8189 or sertomawine@gmail.com We have 50 tickets to sell and they need auction items.

Tim: Second Wind is winding down and the board decided to donate \$100 to Ruth and her efforts. Also, Tim needs to collect for tickets to the Joint Wine Tasting. Rees says they still need auction items.

Pres. Vierthaler brought up the club's annual raffle and how ticket sales are getting harder, meaning the members have to make up consortiums to sell all the tickets. It was decided that all club members should buy one ticket by Dec. 1st and that will mean we have a commitment to continue.

Think about whom is a good candidate for the Service To Mankind Award by Dec. 1st.

Will Martinez has King Soopers coupons.

Sertoman of the Day: : Dave Miley was born on the day FDR was inaugurated for the 3rd time, Jan 20th, 1941, in Indianapolis, Ind., next to the White River, in the Merion Co. Methodist Hospital (the same hospital the race car drivers go to if they have an accident). He grew up near a racetrack and in the winter, the kids would sled down the banked turns of the track.

At the age of 4, the family moved to Denver in 1944, his father worked at the Remington Arms plant but that only lasted 6 months do to the end of the War. In 1951, the family

lived on Elati St. and Dave and Bob Schlageter terrorized the neighborhood. At 13, Dave's dad told "Shorty" he could start crawling around in attics installing insulation. He could do 7 houses a day at \$3/house. Dave attended several grade schools but graduated from Englewood High in 1959. Dave played football in H.S. with Dough Harder's brother, Dave and somehow, Dave and Dave switched girl friends.

Dave graduated from CSU with a major in Business Admin. And ROTC. In 1964, he joined the U.S. Air Force, went to flight school in Williams, AZ and served with the 352nd in Vietnam. After 6-1/2 years, he left the service in 1971 and since the airlines were laying pilots off, Dave got his Real Estate license and now does mostly commercial stuff. Dave earned the Bronze Star.

Dave married Karen Nov. 25th 1959 (50 years this Nov.) and they have 2 kids and 3 grandkids. Karen was a classmate of Dave's and he is still active in the church they got married in. Bob Voth got Dave to join the South Suburban club in '72', and then switched to Arapahoe. He was the President in '78' and Governor in '95'. He has held all positions except secretary. He was also the Sertoman of the Year in 1991. Dave is a military history buff and he likes golf and auto racing, especially midgets. In Jan, he goes to OK to watch indoor racing. He also is a foster pet owner.

Program: Dave also doubled as the Program, accompanied by Kirby, Alex and Chet, his 3 foster Greyhounds. Dave has fostered Greyhounds for about 13 years. You take the dogs in for a period of time until they can be put into a permanent home. Kirby is 4 yrs old and raced briefly in Oklahoma and has so far caught 2 squirrels in the back yard and several mice. Alex is 9 yrs old and washed out racing. Chet is 9 yrs old and raced in Florida.

Greyhounds were bred in Egypt as hunting dogs and they hunt with their eyes, not their nose. They live 10 to 15 years, come in all colors and weigh in at about 60-80 pounds average, Chet is at 90 lbs. They have a low activity rate with burst of energy, are easy to train and are of minimum care. For more info, goto: <http://www.coloradogreyhoundadoption.org>
